

REMARKS

This response is supplemental to the Response of October 20, 2008.

Election of Species

The Examiner has required an election of one of the following species, and an identification of the claims readable on the elected species.

Species A disclosed in Figure-3; P8/L29-31; and P14/L4-12.

Species B disclosed in Figure-4; P9/L1-7; and P14/L13-28.

Species C disclosed in Figure-2; P9/L11-16; and P14/L1-3.

Species D disclosed in Figure 5A.

Species E disclosed in Figure 5B.

Species F disclosed in Figure 5C.

In response to the requirement, Applicants provisional elect Species A, disclosed in Figure, and traverse the requirement on the basis that a search of all the species would not present an undue burden on the Office.

Applicants believe that Species A reads on the following claims: 1-19.

CONCLUSION

In the unlikely event that the transmittal form is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No.: 03-1952** referencing **514862002600**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
